Blues, Folk, Original Songs & Tunes
New CD Sweetest That I Know

The quintessential travelling minstrel, Gareth Hedges is a blessing to music lovers everywhere. With dexterity, adaptability, and deep-felt soul, Gareth skilfully draws from his six and twelve-stringed guitars melodies that cut to the heart of blues, jazz and folk traditions.

Even a short sampling leaves the lucky listener with vivid images of Deep South bayous, ragtime bars and windswept heather.

For anyone who appreciates the rich flavour of music rooted in American and Celtic culture, a performance by Gareth Hedges is a religious experience.
